LONG LIVE  
THE GUEST.™

The royal treatment is changing. It's warming up from aloof to approachable. Opening up from red rope to red carpet. Loosening up from stuffy to witty. The Royal Sonesta began in opulence, sure, with museum-quality art on its walls, yet always with an heir —*pardon the pun*— of levity. Always with a seal of authenticity. From San Juan to San Francisco, every destination is sovereign.

The Royal Family: loyal guests —*sorry, guests*— who travel on official business, on vacation, on both. Who journey alone, with their beloved, with their gang. Who renounce the commoner experience in favor of a singularly extraordinary experience—one of noble service and supreme localization. From the hearts of our great cities, to the splendor of our grand oceans, to the majesty of the Nile river, the royal "We" announce a new era in hospitality.

## PROMISE

We deliver an experience that makes guests feel like new age Royalty.

## MISSION + VISION

We aim to redefine stuffy traditional luxury travel. We do this through delivering warm and witty upscale travel experiences; each with their own distinctive local and brand-relevant narrative.

## THE NEW AGE GROUP

## THE EXPLORER

## TARGET GUESTS

## THE ROYAL FAMILY

The Royal Family knows conventional opulence can be boring, so when searching for the perfect vacation destination they look for accommodations that hit the sweet spot—refined enough for the adults, and fun enough for the kids. From design to programming, this target audience group values a sense of imagination.

## THE NOT-BORED MEMBER
